**BOIL WATER NOTICE LIFTED**

**FOR IMMEDIATE RELEASE**

As of 4:30 PM today, the Boil Water Notice for the Kah-Nee-Ta Hamlets has been lifted and normal consumption of treated water can resume. The Water and Wastewater department took necessary steps to repair the 6" main line break and to bring the bacteriological requirements back into compliance to meet EPA requirements. In addition to the resolution of the main line break, we have also completed two rounds of testing for bacterial contamination with all results returning negative (absent for E. Coli).

If you have any further questions or concerns you may contact Chico Holliday, Water & Wastewater Supervisor, at (541) 553-3246.

Travis Wells,
General Manager, Branch of Public Utilities
