New fabrics and more at Sew Dee-Liteful

The Sew Dee-Liteful Quilt Shop offers a colorful array of fabric and sewing supply options for any and all occasions. And handy shop owner Davida Plaisted has been ordering new Native American theme prints, all very beautiful. Just recently, she adds, “I’ve made two wing dresses.”

Ms. Plaisted wishes to thank the Warm Springs customers for their support. She hopes the shop serves on some driving time for people who are looking for new fabrics and other sewing supplies.

Sew Dee-Liteful is located at 45 SE D Street in Madras, site of the former dance studio, and years ago the old Shangri-La café.

Davida opened the shop at the location in October of last year. Sew Dee-Liteful hours are Thursdays 12-4 p.m. and Friday through Monday, 10 a.m. to 4 p.m. Appointments are also welcome.

In her other job, Davida works as the administrative assistant at the Madras-Jefferson County Chamber of Commerce. Her husband Kevin is the district manager of Ably’s Pizza.

The Sew Dee-Liteful Quilt Shop is more than a business, as for Mr. Plaisted the art of sewing has always been part of her life. “In school I loved Home Economics,” Davida says, “and growing up I sewed a lot.”

She opened Sew Dee-Liteful “because I want to sell fabric, and I’ve wanted a place where people can come in and sew,” she says.

There are weekly open sew sessions Mondays and Thursdays. Davida works on the shop mostly on the weekends, while also working there are team members Minda Morton, and Cheryl and Larry Armitage.

Special events

There are a number of special events coming up at Sew Dee-Liteful. This Thursday, August 24 will be the Noon-to-Moon event, when prices storewide will be 25 percent off. And there will be a chance win a personally crafted gift basket. Plus a corner: Find a hidden butterfly and receive a special prize! Bring your scissors: Blade rehabilitation and sharpening (including pinking shears) will be available 1 to 6 p.m.

Then Saturday, September 9, the sewing machine maintenance man Dan will be at Sew Dee-Liteful, providing maintenance and minor repair for your sewing machine. Prices start at $95 with same-day service. You can drop off your machine either the day before between 10 a.m. and 4 p.m. or early on September 9. A quilt raffle—a small donation for a big impact—will also come up on September 9.

The raffle is for Jason Marquis, 51, a veteran who is fighting pancreatic and liver cancer. Raffle tickets are $5. Your donation will help alleviate some of the financial stress.

Sew Dee-Liteful Quilt Shop will hold the raffle drawing live on Facebook for the beautiful 76”x90” quilt made by Jason’s mother Sandy Monaco. Tickets can be purchased at the shop. All proceeds are donated directly to the family for medical expenses.

You can reach the Sew Dee-Liteful Quilt Shop at 541-579-0509; or 541-264-7383. The website is SewDeeLiteful.com

The shop is also on Facebook, and has a monthly newsletter. You can sign up to receive the newsletter at the website. You can also send a note by email to SewDeeLiteful@gmail.com

Tribes, state seek to collaborate more on water

The nine recognized tribes of Oregon, and state agencies that regulate water are working towards a mutual partnership. The effort follows the release of a nearly 300-page report that details the tribes’ issues and concerns with water quality and access. The Tribal Water Task Force report is the culmination of government-to-government meetings, as instructed last year by Gov. Kate Brown. Examples of two of the biggest issues under discussion: Safe water habitat for salmon; and clean and consistent drinking water for communities. The Confederated Tribes of Warm Springs in particular has contended with water shutdowns and boil notices for years. “The tribes have expressed frustration that when they have a matter of urgency that they want to talk to the state about, they're not sure which agency they need to go to,” said Doug Woodcock, acting director for the Oregon Water Resources Department. Later this year, the Tribal Water Task Force will explore forming a working group between tribes and agencies to improve communication.
