## PUBLIC NOTICE

**WHEN:** 10/24/2023 – 10/27/2023

**WHERE:** SIMNASHO, OREGON

**WHO WILL BE AFFECTED:** RESIDENTS, TRAVELERS, EMERGENCY PERSONNEL, BUSES

**WHAT:** SIMANSHO LAGOON PHASE 01 PROJECT

**WHY:** SIMNASHO LAGOON PHASE 01

This project is solely funded by Oregon Business Development Department and the Scope of Work is as follows due to Infiltration and high inflow from antiquated and compromised sewer piping that was installed in the early 1950's.

- 1) Remove/Replace approx: 400 ft of sewer pipe and manholes
- 2) Open cut Hwy 09 for the installation and tie-in of the existing sewer collection system in to the new sewer system and ensuring proper connection of the wastewater system which is an evaporative lagoon system.

On Tuesday October 24, 2023 the contractors will bring onsite specialized equipment to locate the existing wastewater piping, water piping, communication lines, and electrical.

Doing this will help assist the contractors in locating and determining the depth of each component of the areas required for the open cut trenching for the new sewer piping.

The contractors will have flaggers, AR Road plating, aggregate, personnel and heavy equipment onsite when the actual excavation work occur on October 25, 2023.
